certifications:	CE, FCC, RoHs
weight / piece (kg):	0,8

package (piece / carton):	20
EAN code:	4250273414288
description:	For use with 6,35cm (2.5") SATA hard disk (max. height 9,5mm). HDD size unlimited. Mobile hard disk multimedia player for playback of music, video and photo. In addition, suitable as an external hard disk. Very quick and simple startup. The wiring with a TV is really uncomplicated. It's just a single cable needed. The button "DATA" at the onscreen menu is arranged clearly in order to navigate through the content and folders. All supported files will be displayed. For quick-start of multimedia content select the buttons "PHOTO", "MUSIC" and "VIDEO". An additional highlight is the direct playback from USB storage devices. It's possible to copy, move, delete and view the files directly from USB storage without a PC connection. Technical details are subject to changes.
